About Buckle Up Phone Down

Buckle Up Phone Down is a safety initiative adopted by the Indiana Department of Transportation in late 2023. Unrestrained motorists and passengers, as well as distracted driving continue to be contributing factors in fatal and serious injury crashes on Indiana

roadways. Buckle Up Phone Down is one of many efforts to change driver behavior and improve roadway safety across Indiana.

The actions are simple: when you get into a vehicle, buckle up. If you are the driver, put the phone down. Every trip. Every time. Learn more and accept the challenge at BUPDIN.com.
